

SM325-24T

Tracked Mini Loader

A Combination of Performance, Pressure and Durability

The Wacker Neuson all-wheel drive SM325-24T made by Dingo Australia has the most robust chassis on the market. This moves the weight down to the track where you need it. The lower center of gravity provides the traction you need and more pull and push power when digging. The Wacker Neuson tracked mini loader is ideal for sensitive or difficult ground conditions. Ideally suited for working on grass, in sand or muddy conditions the Wacker Neuson tracked mini loaders a versatile loader.

Highlights

- 2 pump hydraulic system
- Flow Divider
- Low centre of gravity
- Wacker Neuson 5 years / 5,000 warranty

Technical Data

Hydraulic

Flow rate	47
Tank capacity	76 l
Auxiliary relief pressure	3,200 psi

Mechanical - Output Details

Travel speed	0 - 7.5 km/h
